

12mR Wings for Sale

– K15 –

After 5 successful years as one of the best performing 12mR yachts in Europe, we would like to hand over Wings to a new owner or a syndicate of owners.

Wings is a Camper Nicholson Vintage 12mR built in 1937 and is today in many respects in a better shape than a newbuilt 12mR.

Wings comes updated and is one of the fastest and most beautiful 12mR yachts afloat.

Price on request.
